I served in the Military. This is my humorous story which actually happened during bivouac.

The jeep was abandoned by the soldiers playing the aggressors. I was suppose to commandeer the vehicle.

# Finally Retiring After Thirty Years of Government Service

*The adventure begins.*

I am now gainfully  
unemployed,  
and I plan to enjoy every  
minute of it.

If this is retirement I think I'm going to like it!

The thing about being retired is you have more time to do the things you love. So what if you don't get a day off.

This is how I loosen up before my walks.

I also found that gardening is a lot of fun.

This not your normal
